

Hoo-Nobs™

Doornobs® Family of Offshore Lures

The Wahoo Killer! Tournament proven to perform at any speed, the weighted head keeps it in the water while its special combination Fishskin and Mylar skirt make it irresistible. Also great high-speed trolling for tuna.

Weighted head will run deeper than other lures. Their swimming action and “flash” are irresistible to game fish.

High quality weighted metal DoorNob™ head with a chrome-plated finish.

Fishskins® Skirt

Tough & Tangle Free

Doornob® Technology

Laminar flow over these hourglass-shaped heads creates a low pressure area which accelerates seawater as it passes rearward. This aeronautical principle results in a straight-running lure, capable of higher trolling speeds.
